## Abstract Submission

Submit abstracts with short author biographies electronically at the AIAA Houston Section web site:

<http://www.aiaahouston.org/2017-annual-technical-symposium/>

### Abstract Guidelines:

- Abstracts should be 250 words or less.
- Seventeen suggested topics are listed for ATS 2017 on the early warning flyer
- Abstracts will be published. No paper is required.
- Abstracts, Posters, and Presentations must be cleared by authors (not AIAA) for Export Compliance.
- ATS registration is a separate process from the abstract submittal process.
- *Abstracts due Friday, April 21, 2017*
- Authors will be notified on *Friday, April 28, 2017* of abstract acceptance.
