## Abstract Submission

Submit abstracts with short author biographies electronically at the AIAA Houston Section web site:

<http://www.aiaahouston.org/2015-annual-technical-symposium/>

### Abstract Guidelines:

- Abstracts should be 250 words or less.
- Sixteen topics are listed for ATS 2015 on the early warning flyer: space exploration, avionics, etc.
- Abstracts will be published. No paper is required.
- Abstracts, Posters, and Presentations must be cleared by authors (not AIAA) for Export Compliance.
- ATS 2015 registration is a separate process from the abstract submittal process.
- *Abstracts due **Monday, May 18, 2015.***
- Authors will be notified on **Monday, May 25, 2015** of abstract acceptance.
