

AIAA Houston Section

P.O. Box 57524

Webster, TX 77598

The American Institute of Aeronautics and Astronautics

James C. McLane, Jr. (1923-2012), was our 1971-1972 AIAA Houston Section Chair and co-founder (in 1987) of our sister section relationship with the Shanghai Astronautical Society (SAS). The current contact person in Houston for that work in Marlo Graves. She traveled to China on behalf of our Section a few years ago. She is a graduate of the 2006 Space Studies Program (SSP) of the International Space University (ISU) in Strasbourg, France, a nine-week course. She worked for ISU during the 2007 SSP in Beijing.

From James C. McLane III, March 2013 (More McLane photos are on two other pages in this issue in our Section News [pages](#)):

“While emptying out a closet in my father’s house I found hundreds of great old photos. Most I had never seen so I will be busy scanning for the next year or so. The biplane [shots](#) were basic training in Macon Ga. The parade (below) was one my Dad organized when he was Cadet Commander at training in Lynchburg, Virginia. He is standing second from left. The color [shot](#) is from a 1972 NASA photo (my father: standing on left).

AIAA Mission & Vision Statement

The shaping, dynamic force in aerospace - THE forum for innovation, excellence and global leadership. AIAA advances the state of aerospace science, engineering, and technological leadership. Core missions include communications and advocacy, products and programs, membership value, and market and workforce development.
